Safety Notices

Please inform your children to stay away from the padmount transformers located on various neighborhood boulevards. These transformers contain high voltage (7,200 volts of electricity). High voltage shock could occur. There are warnings signs on these transformers for good reason.

March is coming, kite flying weather. Remember to stay away from power lines (overhead) while flying your kites.

If you see a street light out or blinking, please report by calling Xcel Energy Customer Service at 1-800-895-4999.

Also, there is concern that some of the children are leaning on and playing around poles in the neighborhood while waiting for the bus, and FS neighbors have had to call in to have a pole replaced, as it has fallen over. Please tell your children that all utility poles are dangerous and to avoid playing on them. Thank you.

Neighborhood Safety and Courtesy

Please remember to lower your speed while in the neighborhood! It is most important when children are present or when weather conditions cause poor visibility and diminished vehicle control.

Also parents - please instruct your children to be more considerate while waiting at the school bus stop so that snow is not pushed back on shoveled sidewalks and driveways.

OCNA Neighborhood Directory Listing

We have included an updated alphabetical listing with this newsletter. You will also find a neighborhood directory in the margins of several pages. If you find errors or want to update your listings, please call Duane Berglund (839-8599) or email him at dberg581@aol.com.

If you are new to the neighborhood and we have not accurately covered your information, please call your block captain and give us the updates:

Otter Creek Neighborhood Association Advertisers

If you are interested in placing an ad or know of a business owner who would like advertising space, please email Duane at dberg581@aol.com or Russ at rustus_1447@yahoo.com. The cost for a business card size ad is \$75 for three issues or \$30 for one issue. Larger sizes available. The OCNA newsletter is distributed three times each year.

If any neighborhood resident is planning special summertime services, please call your block captain or one of the association officers so we can assist with an email broadcast or flyer.

Five Minute Survey

Please note that this newsletter has an insert with a short survey about the neighborhood and what you consider important activities for the OCN association to support. Please consider recording your reactions and sending it back with your Thrift Sale response to either your block captain or to an OCNA officer.
