

PRESIDENT'S NOTE

Fall is here, the weather is getting cooler, the leaves are changing and the days are getting shorter. We have had a lovely summer and ended it with a successful neighborhood picnic on Saturday September 10th. I want to take this opportunity to thank everyone who worked so hard to make the picnic such a success. Without so many working together our neighborhood would not be the great place it is to live.

Another thank you goes out to all who attended the picnic as well as the monthly brunches and other social activities held throughout the year. Getting together, forming friendships and simply getting to know your neighbors not only provides a caring community but also a safer one. Remember that all activities advertised are open to everyone so please join us!

I also want to thank all of our new block captains and our new association secretary for being willing to donate their time to the neighborhood, please take time to find your block captain's name below and introduce yourself.

So in conclusion I hope as you read this newsletter you find helpful information about the community as well as activities and gatherings you wish to participate in. Get involved!

Yours Truly,
Peggy Hakala, OCNA President

OCNA Annual Neighborhood Picnic Report

On behalf of Otter Creek Neighborhood I would like to give a HUGE thank you to all of our neighbors that donated something to our Annual Picnic that was held on Sept 10. It was a very fun event and everyone enjoyed our free raffle. Without your gracious gifts this event would not have been as successful. Thank you for your participation and supporting our Neighborhood.

If you missed our Neighborhood Picnic this year, just take a look at the list in this issue at what you could have won. I hope you try to make it next year and maybe you could be one of our winners also.
